## Our Core Values

### Think Safety

Our team's safety is paramount.  
Everyone goes home safe.

### People Matter

People are not expendable. Everything we do flows from meaningful relationships.

### Deliver More Than Expected

Expectations are meant to be exceeded.

### Keep Nothing Hidden

Our relationships are built on transparency and trust. We don't leave people in the dark.

### Nothing is Impossible

We've cultivated a culture where solutions are limitless and our capacity is ever increasing.

### Create a Lasting Impact

We are intentional in leaving a legacy that the generations to come can proudly walk into.

### Embrace and Drive Change

We welcome change as opportunities to become greater. Adapting and leading change takes courage.

### Be a Positive Influence

Positive thinking attracts positive results. We choose to celebrate the silver lining in all things.

### Work Smarter

Providing solutions in the most efficient ways.

### Celebrate Well

We celebrate the lives and accomplishments of our colleagues and our customers.
